Dear Brett:

On behalf of the Board of Directors of the Iowa Golf Association I am pleased to inform you that you have been selected as the IGA's 2011 **18-hole Golf Course Superintendent of the Year!**

A nomination packet submitted by Duane Rost showcased your effort to successfully present a golf course that is environmentally friendly and a true enjoyment to play for all golfers. Duane is a member who appreciates your "dedicated, take-charge work ethic and daily enthusiasm."

Brett, this award recognizes your passion for the high standards of golf course maintenance and management that you demonstrate on a daily basis! Your leadership on environmental issues is widely recognized and you provide outstanding information for your peers throughout the industry. One example of this was the presentation that you gave at our IGA Club Forum a couple of years ago. The IGA appreciates your efforts to share your knowledge with others!

The Iowa Golf Association is extremely proud to add your name to the list of previous award winners who have made outstanding contributions to the golfers of Iowa.

We hope that you will be able to attend our spring awards ceremony to accept this award. The projected date for this special event is Friday, March 30, 2012. We will be in contact with you in the near future to let you know the final details and location of this event.

Sincerely,

Bill Dickens
